Dear Parents,

Everyone is a constant learner and there is a teacher in every soul. So let's give wings to our children to explore their teaching talent.

In this regards your ward will teach any topic and present himself / herself as a teacher in the class. Therefore, help them to prepare any topic related to their syllabus for P 'n' I series. "Main bhi teacher." Child is free to use any prop.

Select the topic and write it in diary till Monday (12-02-24) for our reference.
