

Dear Grandparents, Parents, Staff, and Students

Namaskar!

*"We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty."* - **Richard Bach**

We are delighted to announce that our students of CBSE Grade 10 and 12 have made us proud yet again. Our heartiest congratulations to all the parents and students. This year marks the first board exam for the Grade 12 and Grade 10 batches, making their achievements even more remarkable.

Our students have shown tremendous resilience and determination throughout their academic journey. They have overcome various challenges and obstacles with a never-say-die spirit that has truly impressed us. We recognise the hard work and efforts put in by the students and extend our heartfelt gratitude to you, dear parents, for your unwavering support in their learning journey. Your faith and belief in your children inspire us to shape and transform their young minds into dreamers, achievers, and performers.

We extend our warmest congratulations to all our students, parents, and faculty members of the Class of 2023 for their hard work and dedication against all odds.

We are deeply grateful and hold deep respect for every individual who contributed their hands, hearts, and minds to help our children perform their best!

Warm Regards  
Principal
