Introduction

Sharda International School is a CBSE affiliated school established in the year 1994, induced by passion to provide quality education that correlates with discipline, moral ethics and contemporary teaching methodologies.

Our Vision

At SIS, we have distinctive ethos that are built on healthy and positive Teacher-pupil relationship. Our vision is to constantly help students develop love for learning and become curious and inquisitive to gain self-actualisation in a self-disciplined environment.

Our Mission

“LEARN..... ACHIEVE..... INSPIRE...”

We encourage our students to become happy learners with high self-esteem. Helping students develop into confident, sensitive and reflective adults is a key priority at our school. This is achieved through outstanding teaching and careful support for all students throughout their time in the school. We regard students as individuals, all unique but all equal with varying strengths and interests. We work closely in partnership with parents and believe this relationship is crucial to the success of our students. Friendliness and a willingness to listen to them are at the heart of all what we do and through this strong collaboration, students thrive. Their success inspires others to acquire academic excellence.

Campus Infrastructure & Best Practices at the School

- The school covers 2.25 acres of campus and features over 65000 square feet of classroom space.
- The large and lavish play ground and ever green flower gardens providing greener and cleaner environment and fresh respite to all.
- The school has a fully equipped IT labs for junior and senior students.
- New technology tools like Interactive 3 –D Lab are installed and used for visualizing and modelling, especially in the Sciences and Mathematics.
- The interactive flat panel Clevertouch LED 75”, displays have been newly installed in all the classrooms. It is a leading educational interactive flat panel which is a highly effective collaborative device to facilitate classroom teaching and digital learning.
- To provide hands-on practical experience to our students, excellent equipment and facilities are provided in separate laboratories for Physics, Chemistry, Biology and ICT in accordance with the CBSE curriculum
- **Kindergarten Activity Room with projector, toys & books and Outdoor Kindergarten Play Area providing them scope to socialize and learn in play-way method.**
- The multi-purpose auditorium provides an ideal space for special school assemblies, events, stage productions, and Inter-School activities.
- Security systems and CCTV : The safety and security of our students is our utmost priority in the school. In order to provide a secure environment for our students, the school has taken the initiative to install CCTV cameras around the school campus to ensure safety at all times.

- The school gives special emphasis on developing reading culture at home from class Nursery onwards and special orientation classes are conducted for parents to help develop the art of reading in children.
- Special sports programmes have been devised and implemented as per age groups for the physical development of the child so that it helps the children in building self confidence and promoting team spirit.
- Special Clay-pottery area for the students as it is believed that every child is an artist.

School's Achievements

- Our class 10th and class 12th results are outstanding year after year.
- At class 10th level last year (2019), the school achieved a 100% pass rate for all its students and out of 122 students 89 got complete distinctions in all subjects. Bhavesh of 10th class got 98.4% in CBSE 10th board examination.
- At class 12th level in the year 2019, all appeared students passed and out of 120 students, 39 students got 90% above marks in totality. The highest percentage in 2019 board exam in Science & Commerce stream was 97 %.
